**Ms. Lauree E. Handlon, MS, RHIA, CCS, CPC-H**, has been a Senior Coding/Billing Analyst for Cleverley & Associates since July 2002. Prior to joining the firm, Ms. Handlon was the OCE/NCCI Auditor at The Ohio State University Medical Center. She continuously monitored all facets for accurate, timely, and compliant coding of outpatient accounts. Her primary focus was to investigate and resolve the Outpatient Code Editor errors related to coding and medical necessity issues. She worked closely with APC regulations, guidelines, and updates provided by CMS and the local Fiscal Intermediary. She was the primary source connection between Patient Accounts and Medical Information Management to ensure the accuracy of the outpatient UB-92 claims. Ms. Handlon also provided information and education to the various departments in effort to improve the overall error rate of the Medical Center.

Ms. Handlon received her Masters degree through the School of Allied Medical Professions from The Ohio State University in 2008. She received her undergraduate degree in Health Information Management and Systems from The Ohio State University in 2000. She was certified as a Registered Health Information Administrator in the fall of 2000. Ms. Handlon obtained the Certified Professional Coder- Hospital credential in fall 2002. She obtained the Certified Coding Specialist credential in 2003. She is a member of the American Health Information Management Association, the Ohio Health Information Management Association, and the American Academy of Professional Coders.
